

WSA is excited to announce 2015-2016 Wakefield United Club Soccer Program Tryouts

Wakefield United is a program designed for dedicated soccer players that are looking for the opportunity to train with Professional Coaches and compete against a high level of competition. WSA started Wakefield United with the design to offer Wakefield players the opportunity to play club level soccer, train locally with professional coaches while keeping fees affordable as compared to the high prices of the larger regional Club Programs. The main goal of the United program is player development. Participation in the United program would be additional to participation in our town travel program.

WSA has entered into a partnership with the New England Revolution Academy to assist with the curriculum and training of the United teams. All teams will have a dedicated Professional Coach from the NE Revs Academy. Wakefield United will be our select program and all players will be evaluated and chosen by our Director of Coaching and NE Revs Academy coaches.

Following a successful U9 pilot program in 2014-2015, we are excited to announce that we will be holding tryouts to select U9 & U10 teams for both boys and girls for the 2015-2016 season.

Tryouts will be held on Monday, June 22, 2015 at the Beasley Oval (located behind Wakefield High School)

U9 Boys and Girls 5:30 - 7:00

U10 Boys and Girls 7:00 – 8:30

Any player who can't attend tryouts will be evaluated based on their Travel Tryout scores and previous season evaluation.
