Mission Statement

The Amherst Youth Soccer Association (AYSA) sponsors a range of programs for all skill levels with the general aim of developing soccer skills, knowledge and appreciation of the game, team play, and good sportsmanship. Our goal is to have players (and parents) who learn the game and have fun. We also want players to be able to match their interest and abilities with the level of challenge and competition for their level of development.

The Recreational program, for grades K-9 is for players of all skill levels but emphasizes learning soccer skills and the rules of the game, working with a team, and building social, physical, and emotional readiness for the game. The program is organized by grade level with more challenging play available as the player grows and progresses.

At a higher level of intensity and commitment, the Travel Program allows players with advanced interest and abilities an opportunity to deepen their understanding of the game and to challenge themselves at a higher level of competition with players at the same level from surrounding towns. Travel teams also compete in regional tournaments with teams
