

ON-FIELD PARADE INSTRUCTIONS & GUIDELINES

The New York Mets are pleased to welcome you and your group to our on-field parade presentation on June 17. Our goal is to make this an exciting and memorable event for all of the participants. This requires preparing all involved with information that will enable the parade to run smoothly.

Therefore, we ask that you please impart to your group the following instructions and guidelines:

- ❖ Your group should enter through the Left Field Gate with their game tickets no later than an hour and a half before game time (5:40PM).
- ❖ Once through the gate, proceed to the Left Field Ramp.
- ❖ Mets Staff and signage will be there to help you locate your league position on the ramp.
- ❖ Only uniformed ballplayers and coaches will be allowed to participate. Families may wait on the ramps with participants, but will not be able to join the parade. All children must be accompanied by a coach.
- ❖ Mets Staff will lead the parade onto the field. Please be alert to their instructions.
- ❖ Stay on the track. Do not go on the grass or near the wall. Avoid stepping on the foul lines.
- ❖ Do not attempt to engage players who are preparing for the game.
- ❖ Do not take samples of grass, dirt or other items from field.
- ❖ Please keep the parade moving. Do NOT stop to take photos on the field. Delays could result in groups at the end of the line not getting on the field.*
- ❖ The Parade will exit back to seating areas via the Right Field Gate and then to the Field Level behind section 109 where your managers and coaches can escort to game seats or parents can meet their kids.

We thank you in advance for following these guidelines as it allows us to continue to offer this unique fan experience in the future.

*The New York Mets reserve the right to deny participation to any group not adhering to these rules and to terminate parade due to inclement weather, unsafe conditions or time constraints.
