**Date of Birth :** 27 Oct 1991  
**Age :** 25  
**Company Name :** British Soccer  
**Place of Birth :** Enfield, London

## Coaching Experience

I have been coaching children for a number of years now, i started in college back in 2011 where i would coach primary school children soccer and hockey, which was mainly 7-11 year olds. As well as this i have helped organise and coach sports days and tournaments for a local school with the children aged 12-14 and carried on coaching through school/college. A few years ago i started volunteering and started to help coach an u14's soccer team. Last year i worked for Challenger Sports as a summer coach and camp director in the Baltimore area which i loved! I currently coach in a local club, coaching the u9's team which i train weekly and attend all match days, which i've been doing for the past 2 years now. Also I am an FA Licensed Coach, with an FA level 2 in Football Coaching and an FA level 2 Youth Award, as well as FA level 1 in Futsal Coaching.

## Playing Experience

I started playing soccer at a young age in primary school about 7 years old. I played for my local club at the time called Ponders End Juniors for a few years. In this time i managed to get the chance to play for the Arsenal Youth Academy which was amazing, i played with them for a year. When i moved to Cambridgeshire i started playing for my local team scoring 45 goals in one season and was soon playing for the best team in the county. I became captain of my school where i played striker for 5 years and within that time i got scouted for Peterborough Youth FC where again i played for 1 year, as well as this i was chosen to go to the USA to try and gain a soccer scholarship where i played in a stateside showcase in front of the majority of colleges from across the US. Ive always loved playing soccer and have a huge passion for the game and now im looking forward to sharing my experience and knowledge with others, and can't wait to coach children in the US.
