

Dear Parent of a Burlington Youth Soccer Player,

Burlington Youth Soccer Association's (BYSA's) Player Evaluation Day will be held on June 5, 6 and 7th. BYSA is excited to announce that we have hired an outside group of licensed coaches to run this year's evaluation process. This group of coaches has been running evaluations for the Concord-Carlisle Youth Soccer program for the past ten years. After significant research, we have concluded that utilizing this group will further enhance the evaluation process for BYSA and result in a better experience for our players.

The evaluation sessions will take place on the dates below. The sessions will be held at either MSMS Brush field (turf and grass) or Francis Wyman field as detailed below. Attendance at these sessions is **MANDATORY**. All players intending to play during the 2017 Fall or 2018 Spring soccer seasons for age groups U10 - U14 must participate. If your son or daughter cannot attend, please send an e-mail to Gina Lauder glauder15@comcast.net as soon as possible with the name of the player and the reason that your child can not attend evaluations.

Registration

Please note that we are requiring that all players register for evaluations this year. There is a \$10 per player non-refundable registration fee. There is a \$25 per family cap. This fee is separate from the Fall 2017 registration fee. To register for evaluations, please access the Burlington Youth Soccer Association website <https://www.sportsmanager.us/BurlingtonSoccer.htm>. **Registration is now open.** Please register as soon as possible as this will help us to plan the evaluation sessions for each age group. Detailed instructions on how to register for evaluations can be found below and are also attached to this message. **Registration will close at midnight on June 3rd.**

Lastly, for those players that are interested in the **goal keeper** position, they will have the opportunity to be evaluated as a **goal keeper in addition to** their evaluation as a field player. The Evaluation Coordinator will ask the players on the night of evaluations if they are interested in being evaluated as a **goal keeper** and will provide further direction to those players.

Sincerely,

BYSA
