

BYSA Uniform Information

***UNIFORM ORDERING ONLY APPLIES TO U10 TRAVEL PLAYERS AND OLDER**

For U10 players and older, if you don't already have a travel team uniform you are required to order and purchase one. The cost, and process of ordering a uniform is separate from registration. The cost of the complete uniform kit is \$45. Players will be able to wear their new uniform for multiple seasons, and therefore won't be required to purchase a new one if they choose to wear the same one for future seasons. ****FYI, we will be getting a new style uniform the Fall 2018 season. At that time ALL BYSA players will be required to purchase a new uniform.**

You will order your uniform directly from Brine Team Sports via the web link provided below. This only applies to Spring 2018 U10 TRAVEL players and older. U6 & U8 clinic players will be provided with a game shirt.

For returning players, you do NOT need to order a new uniform if you have yours from a past season. You can wear that same uniform this coming Spring. However, if you have lost, damaged, out grown, or you just want a new / duplicate uniform, you will need order it. Also, you can order individual pieces (shorts, socks, shirt). It's not necessary to purchase an entire kit. Also, you may purchase your game shorts and socks on your own. Just be sure the shorts are solid black and the soccer socks are solid red.

All orders must be placed by Feb. 15th. **Orders placed after this date will be assessed a late fee charge. Also, if you place an order after this date you maybe required to pay for shipping or pickup your item at Brine's retail store in Sudbury.**

The BYSA will be having a sizing night where you can come and check out the uniform sizes before you place your order. It is NOT necessary for you to attend. You only need to attend if you would like to see the uniform for sizing purposes before you place your web order. We highly encourage you to attend the sizing night as game jerseys are not exchangeable, and reorders can be a long process. We want all players to be ready for the first game.

Remember, the BYSA will be changing uniform styles starting the Fall season 2018. At that time all BYSA players will be required to purchase a new uniform. This is the last season we will be wearing the current uniform style.
