

## Challenger training schedule: Fall 2019

Challenger team practice sessions are currently scheduled to start on Tuesday, September 3rd and run for 8 weeks. During the season, please communicate with your trainer if you need to cancel any practice due to weather or for other reasons. If weather is a factor for training sessions, they may be canceled in several ways:

- The Rec Dept. may close all fields – you will be notified via e-mail
- Coaches may cancel practice if they see it fit to do so. Please let the Challenger trainer know if you do cancel.
- Challenger trainers may cancel practice at the field itself if there is sudden rain or lightning that presents safety issues. They will stay at the field to notify any arriving players and coaches.
- Do not alter the training session or have your team or individual player attend another training session without the permission of the Director of Coaching, Matheus Campos, or head of Coach and Player Development, for BYSA, Sherry Keenan Burke. Contact information below:

DOC, Matheus Campos: [Matheus.bysa@gmail.com](mailto:Matheus.bysa@gmail.com); cell: 617-710-5468

Sherry Keenan Burke: [sherrykburke@gmail.com](mailto:sherrykburke@gmail.com); cell: 617-293-5098

**Please note that, once our regular challenger practices resume, it is REQUIRED and very important that coaches attend their team's Challenger practice sessions to help out and learn!!! It is not an option to skip challenger and hold a coaches practice instead. The challenger coaches will work with you to develop training sessions, so please communicate any needs your team has.**

### Challenger session location:

Challenger training sessions will be held at Francis Wyman for the first few weeks and then we will send out communication Regarding time and field changes to Marvin and Rotary once available.
