

Challenger Travel Teams Training schedule: Fall 2021

Challenger team practices at Marvin Field will start on Monday 10/4 and run for 5 weeks. During the season, please communicate with your trainer if you need to cancel any practice due to weather or for other reasons. If weather is a factor for training sessions, they may be canceled in several ways:

- The Rec Dept. may close all fields – you will be notified via e-mail
- Challenger trainers may cancel practice at the field itself if there is sudden rain or lightning that presents safety issues. They will stay at the field to notify any arriving players and coaches.

Please note that it is REQUIRED and very important that coaches attend their team's Challenger practice sessions to help out and learn!!! It is not an option to skip challenger and hold a coaches practice instead. The challenger coaches will work with you to develop training sessions, so please communicate any needs your team has.

Challenger session location:

Challenger training sessions will be held at Marvin Field(South Bedford Street, on the other side of the road from Mary Cummings Park).
