

We are looking for High School soccer players to volunteer their time back to BYSA (Burlington Youth Soccer Association) by helping support our clinic programs which runs on Saturdays at the Middle School. BYSA awards several scholarships to graduating seniors every year. We are one of the largest contributors amongst youth sports in town who gives back to our students. The hours in which you volunteer to BYSA are tracked and are taken into consideration if you apply for a scholarship through BYSA when you are a senior.

We have several programs in which we are looking for some support during our season.
