December 13, 2012

Dear Parent/Guardian,

In an effort to continue fundraising on behalf of your student athlete, we are asking for your permission to use his or her name and photograph to solicit sponsors.

We will be producing posters with images of the whole teams and an individual athlete, and asking local merchants and businesses to commit up to \$500 in support of the athlete and teams.

These monies will be added to the DLGC general fund and used to defray the costs incurred by the DLGC group as we make our way to Nationals in Orlando.

Additionally, we have heard feedback regarding liability concerns relative to sponsorship, trip donations, etc. So we are asking that the parents and guardians release all people, companies, organizations and entities responsible for fundraising, donations, contributions or gifts of service, etc. be released from any and all liabilities associated with travel, performance, attendance, practice or any other activities involved with the competition.

By signing this you are agreeing to allow DLGC and its agents the right to use your child(ren)'s image and name as well as releasing all people, companies, entities from any liability associated with the competition in Orlando, Florida.

_____(Sign Name/Date)

_____(Print Name)

Warmly yours,

Dan Demers
Fundraising Co-chair
