

FC Franklin Adult Soccer Club

MISSION STATEMENT

" Provide our community with the lifelong opportunity to play competitive soccer among friends while exhibiting good sportsmanship"

FC Franklin soccer club was established to provide a competitive soccer experience for committed players, coaches and managers in the Franklin community. Interested participants will exercise individual skills, fitness, teamwork and sportsmanship to support the physical and mental dedication required of adult players. We strive to foster and perpetuate the growth of soccer in our community. Moreover the teams provide an environment to build friendships.

FCF teams are structured to promote a lifelong opportunity of experience with competitive play starting over the age of 30 and continuing through 60 and beyond. We support a lifelong opportunity for development by offering multiple teams so individuals can be matched with other players of equal age and or skill. We schedule practice sessions to enjoy fitness in addition to competitive games. We enjoy match games as a part of advanced competition in the Boston region and amongst ourselves. In our practice sessions and league play we will compete and abide by rules and regulations of the New England Over the Hill Soccer League and FIFA. We do this through exceptionally well-conceived and organized events supported by dedicated volunteers. Overall our organization's success is measured by participation, not by win/loss records. Our values promote fun, entertainment, health and fitness through physical activity.

If you are interested in playing and or managing adult indoor and outdoor soccer within the town of Franklin, you are 30 years or older, male or female please contact us to learn more about joining FC Franklin. Point of contact club managers are Chris Madden: cmkmm@aol.com, Jeff Jerrier: jjerrier@aol.com and Ken Parece: kparece@gmail.com .
