

Will it's that time again. The coaches meeting will be held Sunday March 13th 4PM at Oxford High School. We will have a rep from Sports Manager at the meeting to review what the coaches need to do after a game for reporting in the software system. Also a representative from MYSA maybe be attending to go over changes.

We need the town rep to also go into their system and start excepting or declining waivers. You do this by login into Sports Manager and going to

Then selecting MAYS Out-of-Town Waiver Request

If you have any players looking to play in another town it will look like this

Dudley	U14G - Zannotti U14 D1	Janelle Schulman	Charlton	<u>Needed</u>
SoBridg	U14B - BU14-Davone-D2	Bramam Pendleton Cronin	Charlton 508-248-7025	<u>Needed</u>
USA	U12G - GU12 Labonte	Natalie Szabo	Charlton 7742725433	<u>Needed</u>

You will then click on **Needed** and the next screen will popup

You will need to click on the down arrow next to Needed and then click on Approved or Not Approved. If Not Approved please give them a comment, then click Save.

After this is done the MAYS Registers can start process and accepting teams. Important to know. For those that voted the MAYS secretary recorded that the U10's will move to 7v7 by a vote of 15 to 10. The

U12 vote was to move them to 9v9 by a vote 17 to 8. Remember the fields and nets do not have to be changed.

With that said there are a few teams that might need a player or two for subs. Also, the towns that need to combine a team, add a team or drop a team now, is the time. I'm going to wait till Tuesday to run the scheduling system so we won't need fines if you add or drop now.

Make sure your fields are up to date.

One last thing please check your system to make sure your teams are in the correct group and Division. Yes last year someone put their Boys team in the Girls division and didn't release it till the Thursday before the first game.
