

Dear Jamestown Community Business,

As I am sure you are aware, Jamestown Park is a tremendous recreational asset to the surrounding Jamestown area. Sporting opportunities include traditional activities such as baseball, flag football, basketball, and soccer, as well as an 18-hole championship golf course open year-round. Surrounding the tall pines around course are picnic shelters, a playground area, and baseball and soccer fields. Jamestown furnishes the community with ample recreational facilities.

The purpose for contacting you is to offer an opportunity that has never been offered before - the chance to be a sponsor partner with Jamestown Park. Partnerships with Jamestown Park equate to overall improvements to the golf course and recreational facilities. This offer, however, is specific to improvements at the baseball field complex. Initial partnership funding will focus on the following:

- Establishing electrical service for field one (cost ~ \$10,000)
- Purchasing lighting and providing electrical service to remaining field areas. (cost ~ \$75,000 to \$100,000)
- Grading & landscaping along East Fork Rd to allow for spectator seating on grass.
- Dug-out and bleacher upgrades

All sponsors will receive partnership recognition through signage at the baseball field, on the Jamestown Parks and Recreation webpage, and in the Jamestown Newsletter.

Your commitment to Jamestown Park is greatly appreciated. Please complete the enclosed form to indicate your partnership interest level.

Sincerely,

Chuck Smith,
Jamestown Town Manager
