General All Star Information

1. All Star season will begin immediately following the regular season tournament. We will practice at least twice a week. The first week will be three times and in non-tournament weeks it could be three. Usually practices will be restricted to weeknights.
2. We will play at least 2 summer tournaments within 30 minutes drive from Jamestown. At the moment the plan is late June and late July. We are looking for a third in Mid July
3. Depending on tournament schedule, we will play 2 or 3 single "challenge" games against other local All Star teams in early and mid July
4. Tournaments typically last all week, beginning on Monday. We will play 2 or 3 games on weeknights and then be placed into a tournament bracket on the weekend where the more we win, the more we play. Usually this is no more than 3 games on the weekend. Sometimes, Sunday afternoons are included. On rare occasions, Sunday morning is included. Weather usually has a lot to do with the scheduling. But, Sunday morning impact should be minimal. Last season we only had one AM Sunday game.
5. Vacation conflicts are *NOT* an automatic disqualifier. Life is bigger than baseball. Family time is important. That said, it is most effective if your athlete can be available for the majority of games and practices. Summer All Star season is a commitment and we are all depending on each other to be available.

All Star Fee Information

1. Please speak to Greg Vlasny or Tom Pizarro if money is an issue. We do not want finances to prevent your child from participating.
2. Numbers will be assigned as follows:
 - Numbers will be assigned from the preference list provided on the signup form based on what numbers have already been assigned when your child's turn comes up. Please ensure to list numbers in order of preference.
 - Returning players will get numbers assigned first, oldest to youngest
 - First year players will be assigned numbers next, oldest to youngest
 - No preference will be given to any player to bypass the number assignment system.
3. Summer participation cost will be \$150.00. This will cover your uniform and tournament entry fees. Uniforms will be yours to keep at the end of the season.
