

Caledonia Sports Inc Summer Camps

“Turning Potential into Excellence”

Caledonia Sports is excited to introduce Box Soccer Training to the Kansas City area. This training program is like nothing before, and will be introduced during our Summer Camps this Summer.

Players are guaranteed to get more touches, more demands, more progress, and have more fun. The unique single set up structure allows us to dedicate more time to training rather than losing time setting up new drills. Players will develop the feeling of technique through high repetitions as they move to new start points throughout the Box, and will work with both feet to develop the complete player.

We have several different options currently for our Summer Camps, and spaces are filling up. Sign up at the link below.

www.caledoniasoccerschool.com

We have Camps at Raytown Soccer Complex, Blue Springs HS, Grain Valley HS, and Swope Soccer Village. Every player will receive an official Caledonia Camp Shirt prior to Camp.
