- **Out of Town Participation** - In the event that there are not enough qualified players from Mansfield, MEFC reserves the right to hold 'open' tryouts for players from other towns in order to fill the rosters.
- **Practices** – The two weekday practices will be held at the Plymouth Street Complex. While specific practice times for potential teams are yet to be determined, the 90-minute times will be similar to those experienced in the MYS Travel Program.
- **Northeast Soccer League (NSL)** – Northeast Soccer League (formerly MAPLE league) holds its games on Sundays. In general, younger teams have time slots in the mornings while older teams progress to afternoon times. Specific age group time slots are unknown at this time and are set by NSL.
- **Futsal** – The winter Futsal program will take place at MPLEX in Mansfield. Futsal is played on an indoor court and focuses on footwork. Players experience a fast paced game which enhances their proper passing and technical skills.
- **Participation** – Tryouts for MEFC will be held on an annual basis. Each player is independently evaluated at every tryout. Players who make a team one year have no guarantee of an invitation in subsequent years. Players new to tryouts or players who were declined an invitation in the past, will be given the same independent standing as returning players at tryouts.

IMPORTANT – The acceptance or non-acceptance into the MEFC program has absolutely no bearing on placement (i.e. 'A', 'B', etc.) in the MYS Travel Program. The programs and their evaluation processes are completely independent of one another.
