- 1 Spectator ZT

Thank you! Let's keep it going in the Spring!

Zero Tolerance

Bays Zero Tolerance Policy

All individuals responsible for a team and all spectators shall support the referee. Failure to do so will undermine the referee's authority and has the potential of creating a hostile environment for the players, the referee, and all the other participants and spectators.

1. No one, except the players is to speak to the referee during or after the game. Exceptions: Coaches may ask questions before the game, call for a substitute and point out emergencies during the game or respond to the referee if addressed.
2. Absolutely no disputing calls, during or after the game. No remarks to the referee to watch certain players or attend to rough play. NO YELLING at the referee, EVER, and no criticism, sarcasm harassment, intimidation or feedback of any kind during or after the game.
3. Violators may be ejected and are subject to disciplinary action by the BAYS Sportsmanship Review Committee.
4. If Coaches would like to provide feedback to or about the referee, AFTER the game, log into the BAYS site and fill out a Game Feedback Form.
5. If spectators have questions regarding a particular call, rule or a referee please contact the town soccer Referee Assignor.

Zero Tolerance Rating Guideline for Game Reports

Zero Tolerance violations by coaches and/or spectators need to be reported by the match referees in each of their referee game reports according to a sliding scale of 0 to 3 where 0 is no ZT violation. LAW #5 Referees/Refereeing Systems/Ejections/Game Report is in effect. A Guide for the referee's ZT numerical report follows, and specific comments and descriptions

Zero Tolerance Policy Level	Severity of Violation	Conduct Involved
0	No issues	Everyone well behaved and positive.
1	Minor	Some comments. Did not disrupt enjoyment of game by players or distract the referee(s).
2	Major	Significant comments. Did disrupt game. Cautions issued or should have been issued.
3	Severe	Major distractions for the referee(s). Ejections for ZT occurred or should have. May or may not have considered terminating the game.

All Red Card violations issued are reported to the Ejection Secretary.

Additionally, at the referee's discretion, he or she can also report egregious misconduct or red card violations to their respective Referee Assignor.

Zero Tolerance - MYS Policy

MYS ZT Policy in place for Coaches and Spectators. There are no changes to our policy that was implemented in Fall 2021:

- Dedicated ZT Sub-Committee will review, document and track all ZTs. Consists of the VP, Director of Travel, Director of Referees and Director of Coaching and reports through the Vice President.
- Acknowledgement from parents and coaches prior to the season.
- Policy differentiation for **both coaches and spectators** that takes into consideration both the frequency and the severity of the ZTs accumulated.
- We kindly ask for coaches' continued support of the ZT Policy and ask that you communicate/reinforce the policy with your team's parents/spectators.
