

U8 EARLY DEVELOPMENT PROGRAM

MPS North - Winter Season

The U8 EDP will offer exciting Winter programming for players beginning their soccer development. The program will offer increased contact time and will continue to maintain the SOE focus of providing training opportunities on a consistent basis in a technically focused environment. The EDP program will run throughout your region in a location near you.

Starts the week of January 6th and all programs run for 6 weeks.

Partipation in just one location is **\$200** for the Winter season.
