

## **Mountain Soccer Club announces player evaluations for age groups U10 & U12**

MSC will hold player evaluations for levels U10 & U12 only. All players who wish to play at levels D1 or D2 **must** attend this evaluation.

Players must already be registered to play with MSC in the spring before attending the evaluations. This can be done at [www.mountainsoccerclub.org](http://www.mountainsoccerclub.org)

Players must arrive dressed for the weather as we're sure it will be cold! Players must also wear shin guards and cleats. Please dress warm and be ready to start playing when you arrive. Porta-Potties will be available but there will be no running water. Bring plenty of drinking water.
