Dear Parents,

We need additional volunteers to ensure that your child's MU8 team will have a proper coaching staff for the Fall 2013. If you have some coaching experience, please consider taking the head coach job. If you are a newcomer to coaching or unable to commit to the responsibility of a head coach, please consider volunteering to be a Co-head Coach or Assistant Coach.

As in previous seasons SYS will provide professional coach assistance through Challenger Sports, a preseason coaching clinic and reimbursement if you take the online "G License" course.

The start of the Fall season is approaching so please reach out to me at your earliest convenience.

Sincere best regards,

Louise
