

First Time this year? **Fall 2021/Spring2022**

MAYouthSoccer.org

Administration

Adult Registration Process

Which will give you the Blue Button

Which gets you to this choice.

This will register you with MYSL for this year.

From here you will have an opportunity to choose SYS... Sign(initial) the EULA...

If you were registered for SYS before, use the **Returning User** Button

Once that has been completed....

Administration

Adult Registration Process

2. **Returning Users** - Previously registered adults will register for the current registration year as a **Returning User** via the **U.S. Soccer Connect Adult Registration Portal** link below. **NOTE:** This is also the only way to add another organization to your adult registration.

- All registration directions that must be followed can be found on the landing page of the US Soccer Connect Adult Registration Portal.

To complete your Adult Registration click the following link: [U.S. Soccer Connect Adult Registration Portal](#).

PLEASE NOTE: Once you have completed your Adult Registration, you should use the [U.S. Soccer Connect Login Portal](#) to find training links and review registration information.

If you have available certificates, click on the image to upload or view a file.

If you are under the age of 18, parents should check with your organizations Risk Manager on requirements.

SafeSport Training:
Make sure to create your SafeSport account listing U.S. Soccer as your NGB, and with the same first and last name and email address listed in your adult registration account.
There is no need to upload your certificate of completion; although, you should save your SafeSport certificate of completion to your computer as it may be needed later if the auto-approval/verification fails.
Your account should be automatically updated to show your completed training within 24 hours.
If you took the training in 2020, you can upload that Certificate of Completion for your orgs Risk Manager to approve/verify.
If you already have a SafeSport account listing U.S. Soccer as your NGB, click on the link below, click cancel on that next landing page and go to the SIGN IN link at the top of the page.

SafeSport Training Link and Access Code:
Copy this Access Code prior to clicking on the link below: **YC3E-6P5G-YYIL-CS2M**
SafeSport Site Link: <https://safesport.org/authentication/register?token=ee57337f-31f9-421d-b095-82fc8c8c4c41>

Concussion training is through the Centers for Disease Control (CDC) - Concussion Training Information:
As of March 1, 2020, you are unable to use your log in information from last year's course. Concussion training is being administered in a new system called CDC TRAIN; all adults that registered prior to March 1st, will need to establish a new account with a new login and password to access the HEADS UP Youth Sports Training.
The link below will show everyone how to create an account through CDC Train and provide them the link to take the training or login, if the adult already has an active account.
Once training is completed, you are required to return to this Certificate tab and upload the CDC Certificate of Completion.
If training was completed June 1st, 2019 or later, you are approved for the Fall 2020 - Spring 2021 registration year.

NOTE: If your SafeSport, concussion, or CORI Verification show as Verified (you see a check mark), no action is needed from you for this registration year.

CORI Verification (verifying persons legal first and last name and date of birth) is a one-time event while CORI and National background Checks are processed every three years. If you are not CORI Verified, please print your CORI Acknowledgement form and contact your organizations Risk Manager. Do NOT upload your CORI Acknowledgement form, or your government issued photo ID to your account.
