Tryout/Evaluation Nights:

*All players in the Junior and Senior Divisions should attend the tryout/evaluation night!

*Please remember that the purpose of the evaluation nights is to balance the teams, so that the season will be more enjoyable for all involved. The evaluation nights are the best way to achieve this balance. While you may know the talent level of your son or daughter, many of the coaches (many of whom are new to coaching in our league) do not.
