Weekend Session Plan Guidance

Under 5

Focus: Dribbling, Plus 1 Skills Pyramid

Time: Each weekend session lasts for 60 minutes

Planning:

- 1) Print out and read through Weekend Session Plan
- 2) Become familiar with the Plus 1 Skills triangle
- 3) Arrive at the field 15 minutes prior to scheduled start time
- 4) Set up pug nets and cones to facilitate a smooth session plan

Each Session Plan consists of the following:

- 1) Guidance (the page you are reading)
- 2) Plus 1 Skills Pyramid Diagram
- 3) Warm-Up Activity*
- 4) Activity 1
- 5) Controlled Juggling
- 6) Activity 2
- 7) Small Sided Game

*Session Plan #1 includes (4) additional sheets

Session Structure:

Warm-Up Activity (12 Minutes): Incorporate skills from the Plus 1 Skills triangle into the Warm-Up Activity. Skills Pyramid skills should be introduced one by one and no more than (3) per session. Work in succession of the pyramid and introduce all skills by weekend session #5. Skills introduced in the previous session should be reviewed in every subsequent warm-up activity. Session Plan #1 includes (4) additional sheets that provide additional warm up activity guidance and how to perform the step over and drag back escape turns. All skills should not be introduced in week one. This guidance is included to assist coaches throughout all sessions.

Activity 1 (12 Minutes): Activity 1 is a fun activity for the children. Incorporate the activity as described. Find ways that change the activity slightly so that you are not repeating the “exact” drill over and over. Adding skill moves (pull back) when collecting the ball or seeing which group can complete the activity first are ways to make the activities more interesting as they get later into the allowed timeframe.

Snack/Water Break (4 Minutes)

Controlled Juggling (4 Minutes): **Incorporate into every practice.** A few minutes only, players drop the ball to their thigh and foot and try to kick or bounce the ball back to their own hands (repeat). Concentrate more on foot juggling.

Activity 2 (12 Minutes): Same guidance given for Activity 1 above

Small Sided game: There are no substitutions. All players should play for a few minutes (3 to 5) and all players should rest. Games should be played across the field with pug nets with a maximum of 4v4. Additional fields should be set up to accommodate players. Coaches should pair players of like abilities in game play (e.g. your top three vs. their top three, etc.). Coaches should be stationed on the field to introduce a new ball into play when a ball exits the field or enters a goal; this is accomplished by throwing it up in the air or rolling it to a player who is hasn't had many touches on the ball. There should be no restarts. Only use kickoffs after a break or at the start of the game.

PLUS | SKILLS CHALLENGE PYRAMID™

TIER A

1. Laces Dribble – With the toes pointing down towards the ground push the ball forward with the laces, knee bent over ball on contact. After each touch step through with the opposite foot.

2. Foundations – using the inside of both feet push the ball from one foot to the other. On the spot initially then moving forward and back when comfortable

3. Toe Taps Forward – Using the toe end of the sole, tap the top of the ball - alternating left and right feet. On the spot initially, with a slow rhythm and then hopping. Once competent in a stationary position, move forwards.

4. Toe Taps Backward – Using the toe end of the sole, tap the top of the ball - alternating left and right feet. On the spot initially, with a slow rhythm and then hopping. Once competent in a stationary position, move backwards.

TIER B

5. Step-On Turn – Dribble forward, place the sole of one foot on the ball to stop momentum, step beyond the ball with both feet leaving the ball, turn to face the ball and dribble back. Repeat several times using both feet.

6. Drag Back Turn – Dribble forward, stop forward momentum of the ball by reaching forward with one foot and placing the sole of the foot on top of the ball, drag (roll) the ball back down the side of the body away from the defender and accelerate into a dribble.

7. Back Heel – Dribble forward, step beyond the ball, make contact with the heel of one foot sending the ball backwards, turn and accelerate into a dribble.

TIER C

8. Inside Cut – Dribble forward, stop forward momentum of the ball by reaching forward with inside of one foot and 'cutting' the ball back down the inside of the body (away from the defender) in one movement and accelerate into a dribble.

9. Ball Rolls – Using the inside, outside and sole of one foot, roll the ball side to side, backwards and forwards and keeping contact with the ball at all times. Both feet.

TIER D

10. Outside Cut – Dribble forward, stop forward momentum of the ball by reaching forward

Materials Needed

Area 20 x 20 yds

- Ball per player
- Cones

Old MacDonald's Farm (Dribbling, turns)

Description:

Coach gets into character and sings as players act like their favorite farm animals. Players perform dribbling and turning skills whilst playing a fun activity.

Coaching Points

- Become part of the story and have fun
- Keep balls close by
- Quick response to instruction

Progressions:

Instructions

Leading the chorus of the children's nursery rhyme 'Old MacDonald had a Farm', the coach introduces various animals – players have to do impressions of the animals.

Chicken – sit on the ball and flap arms, Frog – ball between legs and jump, Pigs – push ball around with nose, Camel – ball behind neck, Horse – galloping, Kangaroo – ball up shirt and bounce around - ask the player to come up with animals and how to move.

Story: "Old MacDonald had a farm EE I EE I O, and on that farm he had a"

This is an excellent opportunity to bring in fundamental movements such as running, skipping, galloping, balancing, dodging etc.

Materials Needed

Area 30 x 20 yds

- Ball per player
- Cones

What Time is it Mr Fox? (Dribbling)

Description:

Mr Fox stands at one end facing the players. The players call "what time is it Mr Fox" and the Fox answers in one of two ways - "3 O'CLOCK" and the players take three small touches of the ball. If the Fox calls "DINNER TIME" the players must dribble back to the starting line and if they are caught by the Fox they become a Fox.

Coaching Points

- Keep the ball close when approaching Mr. Fox.
- Use different turns when Mr. Fox calls 'Dinner Time' – drag back, inside/outside foot, back heel etc.
- Use the laces to dribble the ball.

Progressions:

1) Mr Fox faces the players before closing his/her eyes and counting. 2) Players have to stop the ball with different body parts when the fox turns. 3) Once tagged the players have to stand with Mr. Fox – last player standing becomes Mr. Fox.

Materials Needed

Open area

- One ball per player

Controlled Juggling (Relaxation)

Description:

Players start with the soccer ball in their hands. They drop the ball on their thigh (juggle it once), and catch it. As they get better at it, they can try juggling the ball from one thigh to the other thigh and then catch it.

Coaching Points

- Fun
- Thigh, foot - eye coordination
- Soft touches
- Preparation Touches

Progressions:

The coach can suggest any combination that is reasonable for this age group. This is used to help develop your players confidence on the ball and develop their foot/thigh - eye coordination.

Materials Needed

20 soccer balls

- cones
- 20x30

Cleaning my Room (Attacking)

Description:

My room is a mess and has soccer balls ever where. I have helpers to help clean my room. Their job is to clean my room but make my brother room a mess. At the same time my brother is trying to clean his room and also has helpers. The aim is to strike the balls across into the other room. The cleanest room after 1 minute is the winner.

Coaching Points

- Lock ankle
- Strike ball with Laces

- aim for the space

Progressions:

Players must stay in their room at all times. They are not allowed to cross the line into the other room.

Match 3 v 3 (Game)

Description:

A small sided game 3v3 is a good way to finish a practice session. Use the opportunity to emphasize the theme of the session - award points for a particular move in addition to scoring a goal. Let the players play with little or no coaching - 15-20 minutes at the end of the session.

Coaching Points

- Little or no coaching
- Encourage players to try skills practiced during the session

Progressions:

The final activity of most practice sessions should focus on the theme of the session. Conditions can be added by the coach to emphasize the theme. For example, the coach can award a point (goal) if a player performs a turn learned during the session. Other conditions/progressions include: 1 or 2 touches, 1 touch finish, All players must touch the ball before scoring, Add a plus player (an extra player for the team in possession of the ball), 3 goals - one scored with the right foot, one with the left foot and one with the head (or any surface).

Materials Needed

Area 30 x 15 yds

- Balls
- Cones
- Training Vests
- Small Goals
