Weekday Session Plan Guidance

Under 8

Focus: Dribbling Mastery, Intro to Defending, Attacking, Passing, & Shooting, Plus 1 & 2 Skills Pyramids

Time: Each weekday session lasts for 60 minutes

Planning:

- 1) Print out and read through Weekday Session Plan
- 2) Become familiar with the Plus 1 Skills and Plus 2 triangles
- 3) Arrive at the field 15 minutes prior to scheduled start time
- 4) Set up pug nets and cones to facilitate a smooth session plan

Each Session Plan consists of the following:

- 1) Guidance (the page you are reading)
- 2) Plus 1 or Plus 2 Skills Pyramid Diagram
- 3) Warm-Up Activity*
- 4) Specific Skill
- 5) Activity 1
- 6) Controlled Juggling
- 7) Activity 2
- 8) Activity 3
- 9) Small Sided Game (if time permits)

*Warm Up Activity consists of Individual Ball Warm Up 1 and Individual Ball Warm Up 2 (to be used as guidance for coaches)

Session Structure:

Warm-Up Activity (12 Minutes): Incorporate skills from the Plus 1 Skills triangle into the Warm-Up Activity. Skills Pyramid skills should be introduced one by one and no more than (3) per session. Work in succession of the pyramid and introduce all Plus 1 Skills by session #3. Introduce Plus 2 skills after session #3. Skills introduced in the previous session should be reviewed in every subsequent warm-up activity.

Each week a specific skill is introduced and should be concentrated on by the coaches. The specific skill is the page immediately following Individual Ball Warm-up 2. Specific skills relating to dribbling, Sessions 3 thru 10, should be demonstrated and included in your Warm-Up Activity. Warm-up activities should be cut-down to account for time needed to coach non-dribbling specific skills in Sessions 1 & 2.

Activity 1 (12 Minutes): Activity 1 is a fun activity for the children. Incorporate the activity as described. Find ways that change the activity slightly so that you are not repeating the “exact” drill over and over.

Note: Session #1 focuses on Goal Keepers; the first two activities have been replaced with specific skills to allow coaches to have the time necessary to introduce goal keeping to players.

Snack/Water Break (4 Minutes)

Controlled Juggling (4 Minutes): **Incorporate into every practice.** A few minutes only, players drop the ball to their thigh and foot and try to kick or bounce the ball back to their own hands (repeat). Concentrate more on foot juggling.

Activity 2 (12 Minutes): Same guidance as stated above in Activity 1

Activity 3 (12 Minutes): Same guidance as stated above in Activity 1

Weekday Sessions are not designed to end with a small sided game, if time permits conduct a small sided game using pug nets amongst your own team or group with another team as desired.

PLUS | SKILLS CHALLENGE PYRAMID™

TIER A

1. Laces Dribble – With the toes pointing down towards the ground push the ball forward with the laces, knee bent over ball on contact. After each touch step through with the opposite foot.

2. Foundations – using the inside of both feet push the ball from one foot to the other. On the spot initially then moving forward and back when comfortable

3. Toe Taps Forward – Using the toe end of the sole, tap the top of the ball - alternating left and right feet. On the spot initially, with a slow rhythm and then hopping. Once competent in a stationary position, move forwards.

4. Toe Taps Backward – Using the toe end of the sole, tap the top of the ball - alternating left and right feet. On the spot initially, with a slow rhythm and then hopping. Once competent in a stationary position, move backwards.

TIER B

5. Step-On Turn – Dribble forward, place the sole of one foot on the ball to stop momentum, step beyond the ball with both feet leaving the ball, turn to face the ball and dribble back. Repeat several times using both feet.

6. Drag Back Turn – Dribble forward, stop forward momentum of the ball by reaching forward with one foot and placing the sole of the foot on top of the ball, drag (roll) the ball back down the side of the body away from the defender and accelerate into a dribble.

7. Back Heel – Dribble forward, step beyond the ball, make contact with the heel of one foot sending the ball backwards, turn and accelerate into a dribble.

TIER C

8. Inside Cut – Dribble forward, stop forward momentum of the ball by reaching forward with inside of one foot and 'cutting' the ball back down the inside of the body (away from the defender) in one movement and accelerate into a dribble.

9. Ball Rolls – Using the inside, outside and sole of one foot, roll the ball side to side, backwards and forwards and keeping contact with the ball at all times. Both feet.

TIER D

10. Outside Cut – Dribble forward, stop forward momentum of the ball by reaching forward

Materials Needed

Area 20 x 20 yds

- Ball per player
- Cones

Individual Ball Warm Up 1 (Dribbling)

Description:

Players have a ball each. Set the players tasks - don't let the ball stop moving! Don't let the ball go outside the area. Progress to having the players react to the coach's commands. Toe taps, boxes, stop and go, change balls, etc.

Coaching Points

- Keep the ball moving at all times
- Soft touches and keep head up
- Move into the open space

Progressions:

Each time you play add a different movement, turn and mastery skill. For example: Movement sequence: 1) **Dribble with laces** - slow down and push the ball lightly with the laces (left, right and both) 2) **Boxes** – push the ball from side-to-side, right to the left foot and back again, 3) **Toe taps** – hopping from one foot to the other touching the top of the ball with the opposite foot each time. Ball stays does not move. 4) **Sole drag back** – hopping between feet, move backwards dragging the ball back alternating between the sole of the shoes, 5) **Sole push** – push the ball forward with the sole of the shoes, 6) **Laterals** – move to the left by dragging the right foot over the top of the ball (rolling the foot over the top of the ball). Move right with the left foot. Turns: It is anticipated players at the end of this stage of development will be able to perform the following turns 1) **Inside of the foot**, 2) **Outside of the foot**, 3) **Drag back**, 4) **Step over**, 5) **Back heel**. Add others! This is also an excellent opportunity to bring in fundamental movements such as running, skipping, galloping, balancing, dodging etc. As this is your warm up ensure you inject the enthusiasm and excitement with the players.

Materials Needed

Area 20 x 20 yds

- Ball per player
- Cones

Individual Ball Warm Up 2 (Dribbling)

Description:

Each player has a ball and dribbles around the inside of the square. The coach challenges the players to complete a variety of tasks within 30 seconds. For example 1) Travel to all 4 sides of the box in any order, 2) How many touches on the ball can you get with your right foot or left foot?, 3) How many people can you tag?, 4) How many soccer balls dribbled by other players can you tag?

Coaching Points

- Keep the ball moving at all times
- Keep your head up
- Move into the open space

Progressions:

As this is the warm up the coach must inject enthusiasm and energy into the players at this stage of the practice. Coaches can be creative with these small 30 second games. Introduce skills from the appropriate Skills Challenge Pyramid

Materials Needed

Area 30 x 20 yds

- Ball per player
- Cones

Escape Move - Cruyff Turn (Dribbling, Creating Space)

Description:

One ball per player in an open grid to begin. Isolate the skill by performing on-the-spot. The Cruyff Turn is performed by faking to kick/or dribble the ball in one direction and then playing the ball between the legs. Using the toe end of the shoe, the ball is flicked through the legs and the attacker pivots on the other leg to the outside. Accelerate away with pace. Progress to 1) performing the skill on the move, 2) 1v1 passive defending, 3) 1v1 active defending 4) Game with gates, 5) Small sided game.

Coaching Points

- Start in stationary position - not a dribble
- Fake to pass and quick turn
- Accelerate away leaving defender behind

Progressions:

The freedom to experiment and practice 'escape' skills against an opponent is critical to their development. The more proficient a player becomes in dribbling and creating space as a young player, the more confident they will become in a game situation and the more likely they are to perform the skill. Repetition is very important, but ensuring the technique is correct (the players are able to 'sell' the opponent and escape) is essential. This activity is a good warm-up with the ball. To emphasize the skill in a small sided game award points/goals to a player who escapes a defender.

Materials Needed

Area 30 x 20 yds

- Ball per player
- Cones
- Training Vests
- Goals x 2
- Hurdles, ladders, rings etc

Numbers Game (Dribbling, attacking, shooting, defending)

Description:

A coach's favorite – players play individually and as a small group to score a goal!

Coaching Points

- Get to the ball quickly
- Look for the goal not protected
- Move quickly to the goal

Progressions:

Two, three or four teams situated on each side of the field. One or two goals at end - coach rolls a ball out and calls a number. The player in each team corresponding to the number/s runs out and attempts to score a goal.

1) Players run around a cone before coming onto the field, 2) Run through the ladder, 3) Under and over the hurdle etc, 4) Player must play the ball to their team on the sideline and receive it back before scoring, 5) Two or more numbers are called and each player must touch the ball before scoring.

Materials Needed

Open area

- One ball per player

Controlled Juggling (Relaxation)

Description:

Players start with the soccer ball in their hands. They drop the ball on their thigh (juggle it once), and catch it. As they get better at it, they can try juggling the ball from one thigh to the other thigh and then catch it.

Coaching Points

- Fun
- Thigh, foot - eye coordination
- Soft touches
- Preparation Touches

Progressions:

The coach can suggest any combination that is reasonable for this age group. This is used to help develop your players confidence on the ball and develop their foot/thigh - eye coordination.

Materials Needed

Area 20 x 20 yds

- Balls
- Cones
- Training Vests

4 v 4 Defending (Defending)

Description:

The defenders have to protect the center of the area (5 x 5 yd). The attackers have a ball each and have to try and beat the defender and dribble into the center. If the defender wins the ball he/she should dribble to the outside of the area to score a point. Switch roles every 1 minute.

Coaching Points

- Apply pressure
- Get into the staggered position
- Be patient

Progressions:

Have 3 balls on each cone. When an attack has finished, the attacker goes back to the cone and collects the next ball. The 4 attackers combine their score and then the defenders switch positions with the attackers and attempt to beat the score.

Materials Needed

Area 20 x 20 yds

- Balls
- Cones
- Training Vests

Treasure Chest (Dribbling, Attacking, Defending)

Description:

Split group into two even teams. Players stand in teams opposite the coach 20 yds away with a pile of balls. Two small goals (Treasure Chest) are placed 10 yds between the players and the coach facing towards the outside of the square. Goals are sufficiently spaced to create a lane for players to run between. On the coach's command, players sprint to a cone placed near the coach. Players round the cone and the coach drops one ball (Treasure). Players compete to score in either goal.

Coaching Points

- Beat the defender using various moves
- Take a chance on goal
- Be creative

Progressions:

- 1) Coach can drop two balls into play; first one to score gets a point.
- 2) Adjust the distance players have to sprint.
- 3) Create boundaries around the perimeter to force close control.

Match 3 v 3 (Game)

Description:

A small sided game 3v3 is a good way to finish a practice session. Use the opportunity to emphasize the theme of the session - award points for a particular move in addition to scoring a goal. Let the players play with little or no coaching - 15-20 minutes at the end of the session.

Coaching Points

- Little or no coaching
- Encourage players to try skills practiced during the session

Progressions:

The final activity of most practice sessions should focus on the theme of the session. Conditions can be added by the coach to emphasize the theme. For example, the coach can award a point (goal) if a player performs a turn learned during the session. Other conditions/progressions include: 1 or 2 touches, 1 touch finish, All players must touch the ball before scoring, Add a plus player (an extra player for the team in possession of the ball), 3 goals - one scored with the right foot, one with the left foot and one with the head (or any surface).

Materials Needed

Area 30 x 15 yds

- Balls
- Cones
- Training Vests
- Small Goals
