Post-Game Reporting and Standings

Post-Game Score Submission and Comments

After the completion of a game, SportsManager allows for the following to be performed by the coaches:

- Enter the score of the game
- Enter any comments about the game

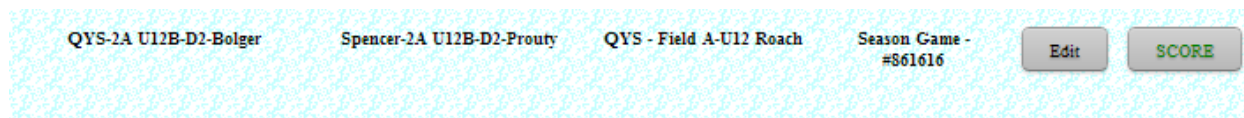

To access this info, login to SportsManager using the Coach Login:

The screenshot shows the 'ROSTER MANAGEMENT' login interface. At the top, there are five tabs: 'Administrator Login', 'Parent Login', 'Coach/Director Login' (which is selected), 'Referee or Assignor Login', and 'Public Access'. Below the tabs, the heading 'ROSTER MANAGEMENT' is followed by 'Access for Team, League and Season Management'. A sub-header states: 'Team management can view rosters, email teams and score games. League and Season managers can also manage team assignment and view draft reports.' A paragraph explains that the module requires an email address and name already stored in the profile. A login form is centered, titled 'Please enter your email and password to login', with fields for 'Email address:' and 'Password:', and a 'Login' button. A link 'Click Here' is provided for users who have forgotten their password.

Upon logging in you will be brought to your team's roster page. Click on the **Schedules/Scores** button from this page:

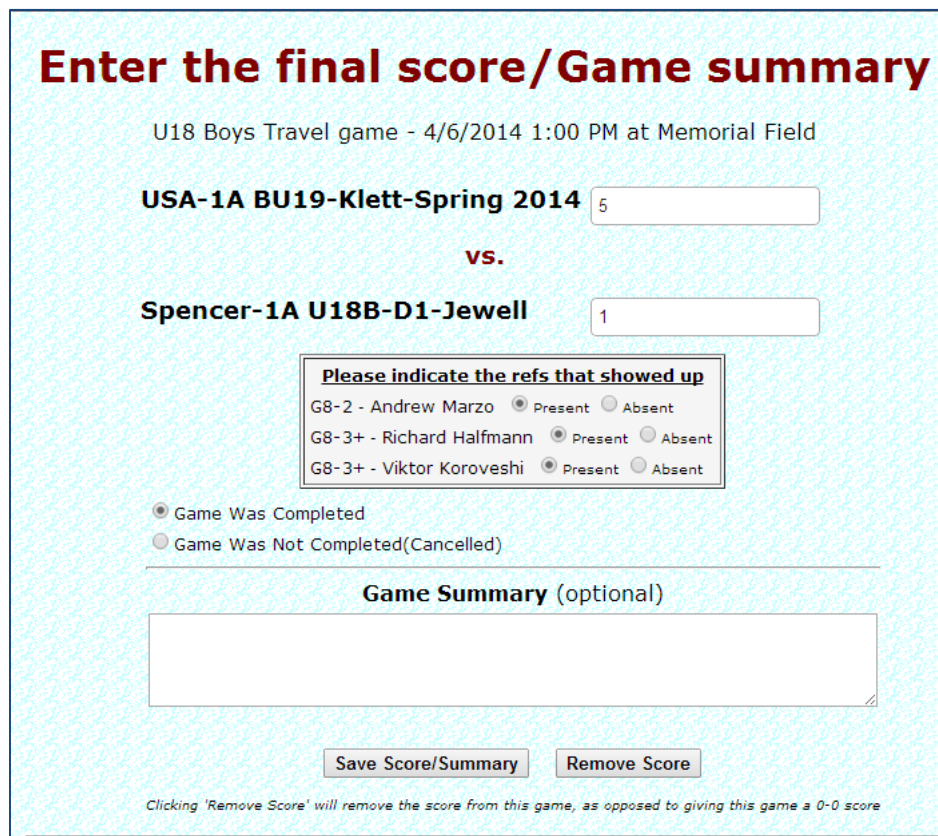

The screenshot shows a dashboard titled 'ROSTER MANAGEMENT (T)'. It contains several buttons arranged in a grid: 'NEW CHANGE TEAM', 'CHANGE TEAM', 'MANAGE ROSTER', 'SCHEDULE/SCORES' (with a mouse cursor pointing to it), 'TEAM INFO REPORT', 'CHANGE PASSWORD', 'ROSTER EXPORTS', and 'ADD/EDIT PRACTICES'.

On the schedule page click on the **SCORE** button for the game that was played.

Save Score/Summary **Remove Score**

Clicking 'Remove Score' will remove the score from this game, as opposed to giving this game a 0-0 score

The coach can enter the score and provide an optional game summary. Upon completion the standings will be updated for that league. Note that entering your score is encouraged by Spencer Soccer and my MAYS, however it is not required as the score is entered by multiple sources.

Notes about game scoring:

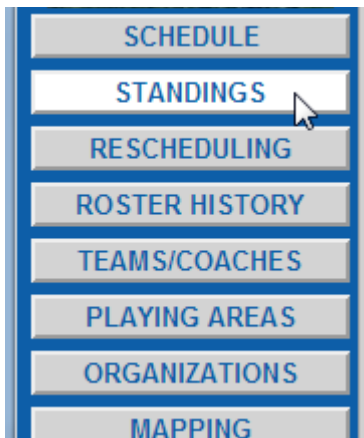

- The score is entered from each town's coach and the referee.
- If there are any disparities, the league will follow up.
- If neither coach enters the score, then the referee's entry will be used.
- If the referee does not enter the score, then the coach's entry will count if they match.
- If only one coach enters the score, then that score will count.

League Standings

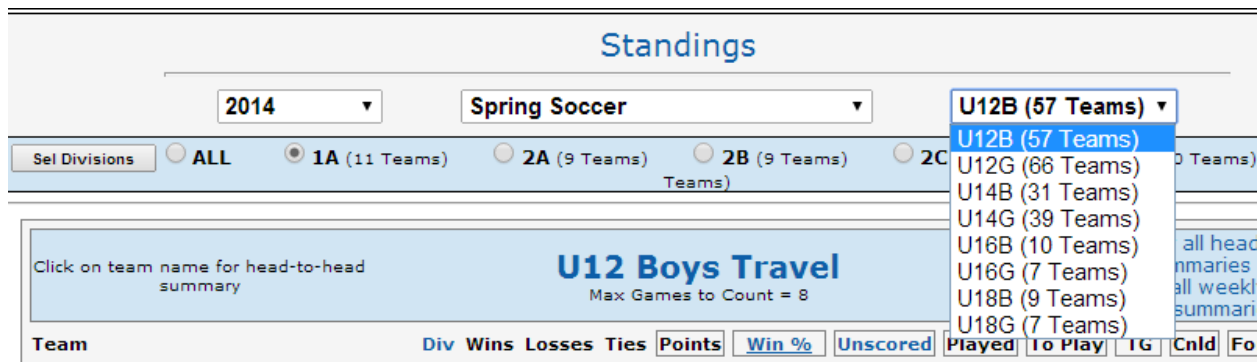

To view league standings and team records access the MAYS SportsManager page:

Click on the **Standings** button in the left side column:

Select the league age and gender group:

Select the division of the team. Note that some divisions are grouped into A, B and C sections. This is due to the number of teams that exist for a particular division and may vary season by season.
