

New for the summer of 2019, Holden Youth Soccer will be offering the first HEAT Youth Camp. HEAT, Holden Elite Academy Training, will focus on fundamentals, fun, techniques and tactics for all levels of players from incoming 1st - 8th grade.

Coaches are HYS parents that have played college soccer, and/or coached at the youth level. Assistant coaches/counselors will be High School and College-aged students that have also played, are playing or have coached at the youth level.
