

NM Boys Basketball Virtual Clinic

Run by: Varsity Boys Coach Jon Doherty

With everything going on I am unable to run my spring clinic for middle school kids, which got me thinking how else can I introduce myself to the youth of NM and get the kids working, well below is what I have come up with!

Virtual Clinic Through Google

June 1st - June 26th

Mon + Wed

\$40

Groups will start at 3:00 pm and each group will run for 30 mins (every 30 min)

Groups will be put together by age and max out at 15-20 kids per group

Example: 4th graders will go at 3:00 pm and the next group 5th graders will go at 3:30 and so on until every group has gone

This will be for ages incoming 5th to incoming 9th

All the kids should have a google email for school, once signed up I will email everyone with a google classroom code where I post the groups and the codes for the virtual work outs. I will also record all the work outs so the kids can go back and do them again on their own. These workouts can be done in the driveway / Basement / Garage / Yard as long as you have a basketball we can get this done!

Payment

Venmo - @Jonathen-Doherty (7928 if needed to verify)

Paypal - Jonnyd1011@me.com (Friends and Family)

****When you pay please put your athletes name and grade****
