United Soccer of Auburn invites you to sponsor one or more of our youth soccer teams this coming year. Your support of our league enables us to provide Auburn's youth with expanded opportunities to participate in a fun, rewarding activity.

For 30 years, United Soccer of Auburn has provided children ages 3-19 the opportunity to learn and play soccer in a fun, safe, healthy and affordable environment. We offer 9 age divisions in addition to TOPS, a special needs soccer program. In the fall of 2015, we expanded our league to children as young as three through our "Little Kickers" U4 program.

We have not raised our registration fees in 10 years, despite rising costs for equipment, league fees, and insurance. We also offer financial assistance for registration and equipment costs; our focus is to ensure any child can stay active and play with their friends and classmates. We are hoping the community will help us keep soccer affordable for all our families by sponsoring a team.

Team sponsorships are available for the following age divisions:

U5/U6 - \$300 per team per season (spring 2018)

\$500 full year (spring and fall 2018)

- Approx. twelve (12) available
- 7-9 players per team

U8 - \$300 per team per season (spring 2018)

\$500 full year (spring and fall 2018)

- Approx. ten (10) available
- 8-10 players per team

Sponsors will receive:

- Business name printed on team shirts (*number of letters/characters may be limited*)
- Framed team photo
- Recognition (logo with link to your website) on our website
- Recognition at our annual Jamboree as a league sponsor

We can also offer package deals for businesses interested in sponsoring an entire age group, multiple teams, and/or multiple seasons.

To become a sponsor, please complete the enclosed form, submit a sponsorship form at www.unitedsoccerofauburn.com/sponsor, or contact us at (508) 648-7614 or info@usauburn.com. United Soccer of Auburn is a recognized 501c3 organization.

We thank you for your consideration and hope you will join us as a partner this year!
