RE: Mask Reminder – Practices

The purpose of this memo is to share with you the following:

On August 27, 2020, we received a complaint from an observer of the U14 Boys soccer practices. In this complaint, they reported that two players were playing with the masks under their chins and around their necks for the majority of the practices. As you know and remember from our mandatory coaches training and subsequent communications that masks are mandatory.

In order for this season to be a success please make sure this is enforced by all.

Feel free to call me and or email me if you feel the need to further discuss this issue.
