WYSA Event: GNO

Dear Town Coordinators Family,

WYSA is proud to hold its 2nd Annual event dedicated to girls - glorious girls, strange and wonderful girls, sporty girls, girly girls, and what makes them tick girls! We welcome back guest speaker Lisa Cole, Head Coach of the Boston Breakers, along with some of her players, all of whom are entering their 4th year in the WPSL.

Our first GNO was a great success - more than 150 in attendance!

Wilmington Middle School Auditorium

5:30pm - 7:00pm - geared toward players through grade 5

7pm - 7:30pm - pizza, drinks & autographs

7:30pm - 9:00pm - geared toward players grades 6 -12

Note: the grades noted above are guidelines, only. Attend whichever session best fits your schedule.

Note to Parents from WYSA Board of Directors

We hope you and your daughters will enjoy this opportunity to benefit from the real-world advice that Lisa Cole and her players have to share about attitude, work ethic, confidence, leadership & self-image. Girls of all ages, sports, and interests are encouraged to attend. Please forward this along to anyone who you think may be interested. We hope to see you there!
