

A letter from Olympic and World Cup Champion Coach – Tony DiCicco

Hello, players, parents and coaches from Wakefield Soccer Club. I am delighted to write and bring you up to date about **SoccerPlus Camps** 2012. This year the **Goalkeeper School** and the **FieldPlayer/Striker Academy** will reach new heights and deliver more of the great coaching, on-field development and life skills that we have become famous for.

We offer 3 programs for Goalkeepers including, our *Challenge Program*; *Competitive Program* and our highly regarded *National GK Training Center*. All for goalkeepers.

Our outfield programs include our *Striker or FieldPlayer programs*. The Striker program deals with all positions and attacking options for defenders; midfielders and forwards. The FieldPlayer program works with players in their thirds of the field, offensively and defensively and how they integrate into a cohesive 11v11 team

Go to www.soccerplus.org to read about all of the different life-changing programs we will offer and to enroll. If there are questions, don't hesitate to contact me.

We also have excellent relations with college coaches and are repeatedly asked about our top students. Attending **SoccerPlus Camps** is a great endorsement for college coaches.

So this summer spend a week or more with us. Watch your game jump levels and see your confidence soar. I promise a challenging week, a week of learning and when you leave a SoccerPlus Camp session, you leave with self-confidence, self-motivation and self-direction.
