

How to add player photos in SportsManager

If you have ever registered a child to play WSA soccer, you have an account in our web-based, information system, SportsManager (SM). You can login to this system to view and/or modify your family's personal data as well as upload a photo for your travel team player(s).

Sports Manager (SM) web site: <https://www.sportsmanager.us/WakefieldSoccer.htm>

Or go to the WSA home page, <http://www.wakefieldsoccer.org/>, click on Links, then click on Wakefield Soccer Association Sports Manager

Logging in

- On the SM home page, click on the **Login** button at the top, then the **Parent Login** tab

Login

If you have forgotten/don't have a password
[Click Here](#) and a password will be emailed to you.

- Enter your email address. If the address does not work or you do not remember it, email registrar@wakefieldsoccer.org to find out.
- Enter your password. Follow directions on bottom of page for an unknown password.
- Click on **Login** button under the password field.
- Click on **Add Photo** next to the child's name that needs a photo.
- A "browse" window will be displayed. Click on the **Browse** button to locate a current photograph (face-only) of this person. The file should be a jpg, jpeg, bmp or png file (e.g. myphoto.jpg)
- Select the file you would like to upload and click on the **Open** button.
- Click on the **Submit** button. The photo should now appear next to the selected person's name.
- If the uploaded image did not come out well, you can try again using suggestions on the file selection page.
