Training Information

Wakefield Soccer Association along with Wakefield United will be hosting an 11 week Winter training program in the Galvin Middle school. (no clinic Jan 29th)

WSA's winter training will focus on age specific, player development programs with activities and games which help develop the technical and tactical aspects of soccer. WSA will be bringing in Professional coaches who have a vast knowledge in developing players.

We will also be holding a speciality clinic - Finishing and SAQ's, which will help develop our players attacking ability.

Any Questions, Please contact Director of Coaching Michael Caine
