How to Stop the Scoring

What to do when your team is obviously better than the opposition and the score is likely to get out of hand.

Midland Area Youth Soccer

Why do it?

- Save embarrassment for your opponent.
- Save embarrassment for your team.
- Avoid receiving an invitation to visit with the Sportsmanship Review Committee.
- It's the right thing to do.

Midland Area Youth Soccer

Some Guidelines

- Don't wait too long.
- Don't make it obvious.
- Let the opposing coach know what you are doing.

Tactics

- Shoot headers only.
- *Headers must be from outside the goal area.*
- *Not recommended for U10's.*

Midland Area Youth Soccer

Tactics

- Every player on the field **MUST** touch the ball before anyone can shoot.
- *Use in combination with other restrictions to really slow down the shooting.*

Midland Area Youth Soccer

Tactics

- Shoot from outside the penalty area.
- *The distance makes the shot easier for the keeper to handle.*

SPORTSMANSHIP • RESPECT • CARING • UNDERSTANDING

Midland Area Youth Soccer

Tactics

- Pass the ball to the keeper.
- *If you shoot it AT the keeper, it's not likely to go in the goal.*
- *The keeper doesn't even need to know that's what you're*

Midland Area Youth Soccer

Tactics

- Shoot over the top of the net.
- *The looks even more realistic than passing the ball to the keeper.*
- Shoot wide of the net.
- *Good, hard shots that are aimed wide of the net can still offer players opportunities to shoot in the game.*

Midland Area Youth Soccer

Tactics

- Place weaker players in forward positions.
- *Remember to keep the restrictions in place.*
- Change formations to have only one forward.
- *This makes it easier for the opponent's defense to stop your offense.*

Midland Area Youth Soccer

Tactics

- Limit player's range into the offensive third of the field.
- *Have players pass the ball toward the keeper once they cross the halfway line.*
- Remove a player from the field.
- *Do this discretely. Have one less player go on the field at a substitution opportunity.*
- *Do not have a player walk off the field during the play. (Why?)*

Midland Area Youth Soccer

Tactics

- Remove a second player from the field.
- *Primarily used at the U12 level. 8 v 6 is much more readily accepted than 6 v 4.*
- *Note: FIFA rules do not allow for a team to add players*
- Have leading team's goalkeeper throw the ball back into play vspunting it.
- *This keeps the ball in the winning team's defensive third for a longer time.*

Midland Area Youth Soccer

Tactics

- Play weaker lines/players more than the “superstars”.
- *When you do send the stronger lines onto the field, do so with tough restrictions on them.*
- Play keep away.
- *Use in conjunction with other restrictions.*
- *Don't let it run for too long.*
- *Try not to make it obvious*

Other things to remember

- Coach, YOU ARE THE ADULT.
- *If a player ignores the restrictions you have set in place, sit the player on the bench.*
- *It WORKS!*
- Make adjustments EARLY.
- *3-0 is the time to start implementing measures to stop scoring.*
- *6-0 is NOT the time to start.*

Other things to remember

- Work out a plan.
- *Failing to plan is not an excuse.*
- *Consider this as important as teaching players to dribble the ball.*

Other things to remember

- Communicate your plan.
- *Let your players practice the plan.*
- *Let the parents in on the plan so they don't urge players to do this they know they should not.*
