Earlier Tryouts

This year WPLL is going to try to get a head start on the season by hosting tryouts earlier this year.

Please note that Majors baseball and softball will tryout on the first weekend of March instead of the 2nd weekend as we normally do.

Hopefully the weather will cooperate and our teams will get one more week of practice before starting the season.

Please check your e-mail and our web site as the date gets closer because if we need to make changes to the location or time, we will notify you both ways.

League Structure

WPLL baseball and softball is for all boys (4-15) and girls, (4-12). League boundaries follow the Cheney, Medical Lake and Liberty School District boundaries. They also extended to ALL students enrolled in Cheney/ML/Liberty

This is a non-competitive league where adaptations are made for each player to hit and run the bases with a designated "Buddy".

League Age Changed AGAIN

Little League International has changed the league age rule by making it the players age as of Sept. 1. However, they are phasing it in, so this year it will only apply to players born after May 1, 2005.

If you were born before May 1, 2005, it will be business as usual for you.

If you have any questions, visit our web site. On our home page there is a link to LL Internationals page explaining this new rule and is rational.
