

Adult Registration, CORI, and Trainings for Coaches

In order to coach youth soccer players you will need to register with Mass Youth Soccer, complete a CORI check, and complete a couple of trainings.

First go to

<https://www.mayouthsoccer.org/adult-registration-process/>.

Scroll down to the bottom of that webpage and click on the yellow highlighted link that says ***U.S. Soccer Connect Adult Registration Portal.***

On the next page click on the ***REGISTER NOW*** button on the ***bottom of the page*** and ***DO NOT*** hit the User Login button in the top left part of the webpage. After you go through the registration process you will receive a confirmation email from Mass Youth Soccer confirming that you have officially registered and it will give you directions on the next steps to take in terms of a Safesport training and a concussion training.

Completing these steps of registration and trainings are necessary for us to print out coach id cards and your coach id cards are needed in order to coach. Please let us know if you have any questions or problems along the way.
