

Good Afternoon,

My name is Ian Hunt and I am the new Risk Manager for Woburn Youth Soccer. Over the next few days, I will be sending out several emails breaking down the 3-step process that needs to be completed by all adults associated with Woburn Youth Soccer. The 3 steps are 1) Adult Registration with Mass Youth Soccer and CORI check; 2) Concussion Course through the CDC; and SafeSport Course.

This email will address the Step 1, registering with Mass Youth Soccer and submitting your CORI background screening. It's a two for one step.

First, thank you for participating in the Woburn Youth Soccer Fall 2022 - Spring 2023 soccer year. All participating adults (persons age 18 and older - excluding Adult Athletes) must complete an Annual Mass Youth Soccer Adult Registration and possess an Adult Credential.

To complete your Adult Registration click the following link: [U.S. Soccer Connect Adult Registration Portal](#). (Screen shot below)
