ROSTER MANAGEMENT

Access for Team, League and Season Management
Team management can view rosters, email teams and score games
League and Season managers can also manage team assignment and view draft reports

The Roster Management module requires your email address to already be stored with your profile and for your name to already be linked as team manager. If you are a team manager without an email addresses you will not be able to use the Roster Manager. If your email address is not stored with your name, contact your league and ask them to store your email address with your name.

Please enter your email and password to login
